

BRUTAL BURGLARS.

Clubbed Three Women Into Unconsciousness Before They Were Scared Away.

SHAMOKIN, Pa., Sept. 18. — Two burglars broke into the home of Mrs. Leona Kress at Big Mountain, near here, yesterday, and upon the woman's refusal to give them money they crushed her skull and clubbed her daughter, Mrs. Mary Marcinak, so badly it is feared both women will die.

Mary Marcinak, daughter of Mrs. Marcinak, while handing her mother a hatchet to defend herself, was also clubbed until she fell senseless to the floor. Neighbors scared the burglars away.
