

Birth registered and baptised in Marki Parish on the 23rd January 1916 , 1 p. m.

Father- Juljan Cuch , 25 years old , a roofer residing in the village of Pustelnik in the presence of witnesses Boleslaw Dymkowski and Adam Szeger , both adults , residents of Marki , showed us a male child born on the 28th December 1915 at 2 a.m. from his wife Anna nee Prydykejt , 24 years old . This child today at Holy Baptism was given the name Aleksander and his Godparents were Adam SZeger and Stafania Szadkowska . This record was presented ,read out to the witnesses and signed by clerk of records only .

The blue writing at the top says that this person is not in PESEL

PESEL is a 11-digit, constant numeric symbol, that uniquely identifies a specific individual registered in the PESEL database (the Common Electronic System of Population Register).
